Dear Sir:

As Affiant, I state as follows:

1. My name is Lisa Dorn, and I am a Legal Secretary for Curtis B. Hamre of Merchant & Gould P.C.
2. My residence address is: 14971 Uplander Street, Andover, Minnesota 55304.
3. I am familiar with the facts of the abandonment of this application as listed in the Petition for Revival. Upon receiving the letter from Ohtsuka Patent Office dated June 29, 2001, although I do not recall specifically, it was my practice to enter a note in Prolaw (which is Merchant & Gould's client management software) indicating the date of receipt of the letter and a short summary of the substance of the letter. Such entry appears in the attached copy of the Prolaw notes for this file as "12/05/2002: Received fax from client to NOT INCURE ANY FURTHER FEES".

4. A Notice of Abandonment was mailed from the Patent Office on August 4, 2003. Upon receiving the Notice of Abandonment, although I do not recall specifically, it was my practice to check Prolaw (Merchant & Gould's client management software) where I would have found a note that a fax from the client was received to incur no further expenses. I would have updated the notes in Prolaw and would have requested the file. I would have given the file to Curtis B. Hamre, and on receiving the file back from Mr. Hamre, I would have followed his direction.

As Affiant I state nothing further.
